STEAM ENGINES.

See also Engineering; Machinery; Mechanical Arts; Mechanical Drawing; Mechanics, Applied; Pumps; Steam; Steam Heaters; Steam Navigation; Steam Pumps; Steamboats; Steamships; Thermodynamics.

These titles are printed, with some reduction and modification, substantially in the form in which they appear in the Public Catalogue, and represent the literature of the collection on Steam Engines, in the Library. No attempt has been made at a bibliography further than to print the card titles practically as they stand.

Conspectus of Divisions.
